

Rapid Valley Volunteer Fire Department Presents:

## **National Fire Academy Training Incident Safety Officer**

**8:00 a.m., September 25 & 26 at  
Rapid Valley Volunteer Fire Department  
5500 East S.D. Highway 44, Rapid City**

This 2-day course is for all levels of fire and emergency services workers. It examines the Safety Officer's role at emergency responses. Response to "all hazards" situations will be emphasized, including wildland fires, highway/traffic incidents, acts of violence, and incident scene rehab. Other topics include: risk management, safety responsibilities, fatality and injury data in emergency services, and managing risk at the operational level.

**There is no fee to attend the class.**

**Students must pre-register by August 20 to allow the NFA time to order class materials and to arrange instructor travel. At least 15 students are needed for the class to be held.**

To pre-register, contact one of the following:

Deputy State Fire Marshal Cliff Dahl - (605) 381-0716  
(sdfmofm10@rap.midco.net)
